

## ELGIN GREENHAM GRAND SENTINEL

Our newly acclaimed grand sentinel is Elgin Greenham, a member of Starlight Chapter 241 in Port Hope.

Elgin is a 52 yr member of Eastern Star.

His career was farming, 43 years. And like a true farmer he lists his pet peeve as crab grass and weeds in a lawn (note to self: don't invite him over to my house) His

favourite time of year is fall because it's harvest time, and one of his hobbies is helping farmers.

From personal experience I can tell you that ticket sales increase when Elgin's strawberries or apples are raffle prizes.

Surprisingly he says that Big Bang Theory is his favourite TV show, I never would have taken him as a nerd.

Elgin has 3 children and 4 grandchildren.

Our Grand sentinel is escorted tonight by Kathleen Martin, PDDGM District 12, who is also a member of Starlight chapter.

Kathleen and Elgin served together as WM and WP of Starlight this past year.

Kathleen and her husband, Wayne have 1 son and 1 daughter and 1 grandson.

Kathleen says she likes oldies music mostly because she can understand what they're saying. She is an RPN who owns her own foot care business, and she works for a sleep clinic where she adjusts CPAP machines.

So if your feet go to sleep she is the woman to see.

Congratulations to you Elgin and good luck as you embark on your journey to the Grand East.
