

LYNN ALEXANDER GRAND CONDUCTRESS

Our Grand Conductress Lynn Alexander is a member of Whitby Chapter 248 in District 11.

She must have lied about her age back when she joined Sunbeam Chapter 73, because she surely doesn't look like a 30 yr member.

Lynn is from Oshawa where she works as a property manager for the Region of Durham.

The conductress job being such an important one, her experience in managing properties should help her keep everyone in line, not any easy task.

Lynn loves to colour and I'll bet that she goes outside the lines sometimes. She lists her favourite musical artists as Pink and Neil Diamond, That's diversity

Lynn is escorted by her sons, Justin and Matthew. In addition to these 2 handsome boys, Lynn and husband Grant have a grandson as well.

Grant has recently undergone hip surgery so he can be top notch over the next 3 years, but he is here.

Grant is a master electrician and he loves Prince Edward

County, which is where I come from. He is a Past patron

and also a member of Whitby 248

He lists his favourite place to dine out is HOME. so I;m not

sure if that means he's cheap or if he LOVES Lynn's

cooking. Grant and Lynn have strong OES connections,

with Jeannette being Grant's mom and the beloved late

Wilfred Alexander, a past Grand Chaplain, his dad.

Lynn and Grant are a fun couple dedicated to the Eastern

Star, and we wish them luck and love on their continued

journey to the grand east.

Please welcome our Grand Conductress.
