

OTTO RENZ GRAND CHAPLAIN

Our Grand Chaplain, Otto Renz, is from Port Hope, and was initiated in 1999 in Whitby chapter 248 District 11.

He is now a member of Starlight 241 in my district , 12 where he works tirelessly for the good of the chapter. He has been WP several times, the latest of which was in the Music Wine and Roses, our precious moments in time year.

Otto always takes his OES work seriously and I know he will do a stellar job as Grand Chaplain. I understand he already has all the prayers memorized including the funeral ceremonies.

Otto was born in Germany and immigrated to Canada with his family when he was 12 yrs old. He is retired from the TTC, has a daughter and a son, and 2 grandsons.

You know a guy is a keeper when he lists as one of his hobbies, “Working on the honey do list”. AND his pet peeve is not having enough hours in the day!!

Otto is escorted by his wife Marilyn who he refers to as “my love Marilyn”. Her interests include shopping and travelling – something tells me that she will be getting her fill of travel this year. She was born in Montreal and raised in Sherbrooke, Quebec. And was a crossing guard for 13 years. So she will put safety first, and be a most valued travelling companion.

She lists fall as her favourite time of year - no wonder. On October 7th, this couple will celebrate their 50th wedding anniversary

Marilyn is a sweet lady and everyone in District 12 loves the Renzes. After this year, all of Ontario will as well.

Our Grand Chaplain
